

**APPLICATION FOR EXEMPTION FROM ELECTRIC FENCE PROHIBITION
INSTALLED PRIOR TO MAY 15, 2019
CITY OF CABOT ANIMAL SERVICES**

Date: _____

Name: _____ Phone: _____

Address Where Fence Is Installed: _____

Date Fence Installed: _____

Dog Breed(s): _____ # of Dogs on property: _____

Documents that need to be attached to this application:

The site plan for the electronic fence, including the property lines, dimensions and existing structures.

A written statement by the applicant, with adequate supporting evidence, showing how the applicant will conform to the standards set forth below:

1. Proof that the animal is neutered or spayed.
2. All animals are **property licensed with the city**.

By submitting this application, I, _____, understand that approval of the fence in no way relieves me of responsibility for control of my dog(s) and any damages caused by my dog(s); and I will continue to accept responsibility for the dog(s) and its (their) actions, including any damages to the dog(s), me, and third parties resulting from my dog(s), and the use of an electronic fence to contain the dog(s).
(print name)

By my signature, I have acknowledged that I have read the above and will comply with the City of Cabot Animal Services Ordinance.

Signature of Applicant

2951 S 1st St
Cabot, Arkansas 72023

For the Office of Animal Services to Complete

_____ Approved _____ Disapproved Date: _____

If Approved:

If your application is approved, please be aware that:

- a) You are responsible for ensuring that the fence effectively contains the animal on the property; **AND**
- b) There is proper notice on your property indicating that an animal is confined to the property by an electronic fence or electronic collar.

Failure to comply with the above may lead to a revocation of the exemption granted and citations for failure of improper dog restraints.

If Disapproved:

Your application was disapproved for the reason(s) below:

If you wish to appeal this decision, you may request an administrative hearing.

Animal Services Personnel
